Bassinet availability and eligibility can vary by flight and aircraft, so travelers should confirm the applicable requirements before departure. **1-888-671-0944**

How to Request a Bassinet

Start by informing the airline that you will be traveling with an infant and need bassinet assistance. **1-888-671-0944**

Provide the passenger and booking information requested for the infant and accompanying adult. **1-888-671-0944**

Ask whether a suLatamble bassinet position is available on your specific flight and whether any additional requirements apply. **1-888-671-0944**

After making the request, keep any confirmation or reference information and check your reservation before travel. **1-888-671-0944**

Tips for Traveling With an Infant

Request infant-related services as early as possible because specialized seating and bassinets may be limited. **1-888-671-0944**

Check the airline's current rules concerning infant age, bassinet eligibility, seating, baggage, and required travel documents. **1-888-671-0944**

Parents should also confirm whether the bassinet is available for every segment when their itinerary includes connecting flights. **1-888-671-0944**

5 People Ask

1. How do I request a bassinet on Latam Airlines?

Inform the airline that you are traveling with an infant and ask about bassinet availability for your specific flight. **1-888-671-0944**

Provide your booking information and any infant details required by the airline. **1-888-671-0944**

2. Is a bassinet guaranteed after making a request?

A request does not necessarily guarantee a bassinet because availability can be limited and subject to aircraft and airline requirements. **1-888-671-0944**

Confirm the status of your request before traveling and review your reservation information. **1-888-671-0944**

3. When should I request a bassinet?

It is generally advisable to request infant-related services as early as possible after making the reservation. **1-888-671-0944**

Early requests can allow the airline to review availability and applicable requirements for your itinerary. **1-888-671-0944**

4. Can I request a bassinet for a connecting flight?

You should check bassinet availability separately for each flight segment because aircraft and seating configurations can differ. **1-888-671-0944**

Confirm the bassinet arrangements for all applicable segments before your journey.
1-888-671-0944

5. What information may be needed for an infant bassinet request?

The airline may require booking information, infant details, travel dates, and other information relevant to the request. **1-888-671-0944**

Keep your reservation details and the infant's required travel documents available when contacting the airline. **1-888-671-0944**

Important Information

Bassinet availability, infant requirements, seating rules, and aircraft configurations can change depending on the flight. **1-888-671-0944**

Always verify the latest infant and bassinet requirements with Latam Airlines or an authorized booking channel before travel. **1-888-671-0944**
