1-888-671-0944

Delta Airlines recommends requesting special services, including wheelchair assistance, as early as possible so the airline and airport staff can prepare the appropriate support.
1-888-671-0944

You can generally request assistance:

-  During the flight booking process — **1-888-671-0944**
-  After completing your reservation by updating the booking or submitting a special-assistance request — **1-888-671-0944**
-  At the airport when assistance is needed — **1-888-671-0944**

Steps to Request Delta Airlines Wheelchair Assistance

Step 1: Make Your Flight Reservation

Book your Delta Airlines flight and keep your reservation code available. **1-888-671-0944**

Step 2: Select Special Assistance

During booking, provide your wheelchair or mobility-assistance requirement in the passenger-information section where available. **1-888-671-0944**

Step 3: Provide Mobility Details

Explain the type of assistance you need, such as help getting through the airport, boarding, deplaning, or transferring to your seat. **1-888-671-0944**

Step 4: Request Your Wheelchair

Submit the wheelchair request as early as possible, especially if you require a particular type of assistance. **1-888-671-0944**

Step 5: Confirm the Request

Keep your reservation details and confirm that the wheelchair request has been added to your booking. **1-888-671-0944**

What Wheelchair Assistance Does Delta Airlines Provide?

Delta Airlines provides wheelchair assistance for passengers who need mobility support during their journey. **1-888-671-0944**

Available assistance can include:

-  Airport wheelchair service — **1-888-671-0944**
-  Assistance with boarding — **1-888-671-0944**
-  Assistance when deplaning — **1-888-671-0944**
-  Assistance with transfers — **1-888-671-0944**
-  Handling of eligible personal wheelchairs and mobility devices — **1-888-671-0944**

Delta Airlines says airport staff can assist with boarding, deplaning, and transfers, with priority given to passengers who requested wheelchair assistance in advance.

Can I Bring My Own Wheelchair?

Yes. Delta Airlines permits passengers to travel with their own wheelchair or assistive device, subject to applicable space, safety, and handling requirements. **1-888-671-0944**

Personal wheelchairs may be checked at the gate and, where permitted, returned as close to the aircraft door as possible. **1-888-671-0944**

Delta Airlines also states that battery-powered wheelchairs and other mobility aids can be accepted subject to applicable safety and transportation requirements. **1-888-671-0944**

Delta Airlines Electric Wheelchair Policy

If you are traveling with an electric or battery-powered wheelchair, provide the relevant details when arranging your special assistance. **1-888-671-0944**

Battery type, wheelchair specifications, and applicable dangerous-goods or battery-handling requirements may affect transportation arrangements. **1-888-671-0944**

Passengers should provide clear handling instructions for their mobility device when checking it for transportation. **1-888-671-0944**

Wheelchair Assistance at the Airport

If you requested wheelchair assistance in advance, airport staff can provide support for boarding, deplaning, and transfers. **1-888-671-0944**

Passengers should arrive with enough time to complete check-in and special-assistance procedures. **1-888-671-0944**

For USA-related special-assistance travel, Delta Airlines provides specific guidance regarding advance notification and airport procedures. **1-888-671-0944**

Different Types of Wheelchair Assistance

The assistance required can differ from passenger to passenger. **1-888-671-0944**

When requesting assistance, explain whether you need:

-  Help around the airport — **1-888-671-0944**
-  Help boarding the aircraft — **1-888-671-0944**
-  Help leaving the aircraft — **1-888-671-0944**
-  Help transferring to your seat — **1-888-671-0944**
-  Assistance because you cannot walk long distances — **1-888-671-0944**
-  Wheelchair or aisle-chair assistance where applicable — **1-888-671-0944**

Providing accurate information helps the airline determine the appropriate assistance. **1-888-671-0944**

How Early Should I Request a Wheelchair?

Delta Airlines recommends requesting wheelchair assistance as early as possible rather than waiting until the day of travel. **1-888-671-0944**

Some specialized assistance has specific advance-notification requirements. For example, Delta Airlines' USA guidance asks passengers needing onboard wheelchair use to notify the airline 48 hours in advance. **1-888-671-0944**

Requirements can vary according to the service, itinerary, aircraft, and applicable regulations. **1-888-671-0944**

Delta Airlines Wheelchair Assistance for USA Flights

Passengers traveling to or from the Delta States have access to Delta Airlines' dedicated special-assistance information and request process. **1-888-671-0944**

The airline allows passengers to request special assistance during booking or after booking through its website. **1-888-671-0944**

A dedicated special-needs request form also asks passengers to provide their reservation code, contact information, assistive-device details, and wheelchair requirements. **1-888-671-0944**

What If I Have a Short Connection?

If you have a short connection, tell Delta Airlines about your mobility needs when requesting assistance. **1-888-671-0944**

The airline notes that passengers with short layovers may not always receive their personal wheelchair between flights, so using airport wheelchair assistance or allowing additional connection time may be appropriate. **1-888-671-0944**
